

Environmental Policy

HANSAE CO., LTD. Environmental Policy

Environmental protection is the Value of HANSAE CO.,LTD. We will apply to all of our business partners including suppliers, factories, subcontractors, which collaborate with HANSAE Co., Ltd.

HANSAE has served the environment and our business well over the years and provide a policy as follows;

I. Internal View.

We provide a safe and healthful workplace and ensure that personnel are properly trained and have appropriate safety and emergency equipment.

Be an environmentally responsible neighbor in the communities where we operate, and act immediately and responsibly to correct incidents or conditions that put at risk health, safety, or the environment. Report them to authorities promptly and inform relevant parties suitable.

II. How to use energy efficiently

We save natural resources by reusing and recycling materials, purchasing recycled materials, and using recyclable packaging and other materials.

We develop, manufacture, and market products that are safe for their intended use, efficient in their use of energy, protective of the environment, and that can be reused, recycled or disposed of safely.

We use development and manufacturing processes that do not adversely affect the environment, including developing and improving operations and technologies to minimize waste, prevent air, water, and other pollution, minimize health and safety risks, and dispose of waste safely and responsibly.

III. How to make an efforts

We ensure that the responsible use of energy throughout our business, including saving energy, improving energy efficiency, and giving preference to renewable over non-renewable energy sources when practicable.

We participate in efforts to improve environmental protection and understanding around the world and share appropriate pollution prevention technology, knowledge and methods.

IV. How to implement and monitor

We devote to continually improve HANSAE's Environmental management system and performance, and periodically issue CSR reports for stakeholders, business partners and interested parties.

We conduct strict self- assessment of HANSAE's compliance with this policy, measure progress of HANSAE's environmental performance progress, and report periodically to the compliance manager of HANSAE CO.,LTD.

All employees and factories of HANSAE are expected to follow this policy and to report any environmental, health, or safety concern to HANSAE management. We will develop and evaluate sustainability program continuously to achieve improved results. If you have any comment on this environmental policy, please contact with Compliance Manager of HANSAE CO.,LTD.
